Serve Turkey This Summer

Some people think turkeys are only for Thanksgiving. Those are the folks missing out on a tasty summertime food. In additon to taste, today's turkey offers economy, ease of preparation, tenderness and versatility.

Turkey's mild taste lends itself to being served plain or in combination with sliced ham or beef. Turkey flavors also combine well with tart sauces and jellies, gravies, or creamed dishes.

Strained food budgets emphasize the importance of serving economical turkey. Whole turkeys are selling for about 30c per serving (59c per pound). Cost per serving is slightly greater than for ground beef but is considerably less than for roasts of beef or pork. In the midst of high food prices, it's refreshing to note that turkey sells for a lower price per pound than it did 15 years ago.

Ease of preparation should tempt many cooks to put turkey on the menu. Today's turkeys are cleaned, inspected, and ready to cook when purchased. Careful breeding has developed turkeys with broad breasts and thick drumsticks and thighs. This assures more servings of turkey from each bird.

Consumers continue to learn about the versatility of turkey. It is available in all sizes and weights, from small 4 pound fryer-roasters to large toms, 20 pounds and over. Turkey breasts, halves, and quarters cater to people prefering all light or all dark meat. Surprisingly enough, one-third of today's turkeys are sold in these convenience forms or are further processed into a variety of new products.

Leading the parade of new turkey products are boneless turkey rolls. They can be purchased raw, pre-cooked, or smoked, either all-white or a combination of white and dark meat. These fresh - frozen rolls range in weight from 2-5 pounds and can be oven-roasted or barbecued on the rotisserie.

Turkey steaks, either plain or breaded are available in some stores Boil - in - a - bag turkey and turkey slices in gravy are also on the market.

Turkey offers mealtime variety and good taste at moderate cost. Try cooking modern turkey this summer. Don't wait until Thanksgiving for this treat!

Concord Garden Club

The August meeting of the Concord Garden Club convened at 10 o'clock on Monday morning at the home of Mrs. R. E. Phelps with Mrs. E. T. Burleigh as co-hostess.

After delectable mid-morning refreshments the meeting was called to order by the president, Mrs. R. E. Davidson. At the business session announcements were made concerning the District Meeting to be held at Quaker Memorial Church in Lynchburg on Sept. 25 at 10:30 a.m. The president urged full attendance and participation. She stated the cost of registration and luncheon and suggested that these fees be brought to the September meeting and sent to the treasurer as one sum.

Mrs. C. F. Keesee stated that plans are being made for the fall Bazaar and asked that a suitable date be chosen as soon as possible. The September meeting was set as the target date to determine the date for this event.

The Garden Therapy Chairman, Mrs. Hattie Johnson, asked that a replacement be made on her committee to fill the vacancy of an inactive member. She reported that a number of flowering plans had been taken to one of the nursing homes at Spout Spring.

The president read a letter of resignation from Mrs. Onyx Metz who stated that she did this with deep regret; however family illness made it necessary. The membership heard this letter also with regret.

At the close of the business meeting the Flower Show Schedules for the District meeting were distributed and studied by the group with interpretations by Dr. Kelly who urged each member to participate in the show.

Mrs. Kelly Webb gave a brief and enthusiastic report of Flower Show School Number One which she attended recently in Blacksburg.

Awards for exhibits were Artistic: Blue, Mrs. Harvey Hite; Red, Mrs. Kelly Webb, Mrs. Merle Carroll, Mrs. C. F. Keesee, Mrs. D. S. Booth, Mrs. Douglas Crowther.
